

DESIGN FLEXIBILITY. DFX OR CAM-LOCK STYLES. FIELD-PROVEN!

## PURE GOLD

### Make the Perfect Roll!

Goldenrod is the converting industry expert in differential shaft technology. Whatever the size or application, we are the global leader with thousands of shafts installed worldwide. Our salesmen ask you the right questions, our engineers work with you to determine the best solution, and Goldenrod is the only company to offer on site set-up assistance and training.

Contact Goldenrod today at **1-800-GOLDROD (465-3763)**, or online at **goldenrodcorp.com** for more information on how our DFX or Cam-Lock style differential shafts can help your specific application.

### See Goldenrod Differential Shafts In Operation

Check out our video by going to **goldenrodcorp.com** for complete details on our line of differential shafts! **Goldenrod - the difference is in the details!**
